

COCO — 12-track House EP

David Guetta stijl · 128 BPM · Authentieke teksten in 3 talen

TRACK 1 — ALIVE

Engels

Hook: "I feel so alive"

Stijl: Progressieve house, euforisch, vrouwelijke stem

[Verse 1]

I've been sleeping through my days

Going through the motions, lost inside a haze

But something changed the moment that you walked through that door

I remembered what it felt like to want more

[Pre-Chorus]

My heart is beating like I've never felt before

Like I've been given back everything I lost

This feeling — I'm not letting go

[Chorus]

I feel so alive

Like the world just opened up its arms for me

I feel so alive

Like I've finally found the place that I should be

No more holding back

No more standing still

I feel so alive

And I know I always will

[Verse 2]

Every morning now the sun looks brighter
Every burden on my shoulders feels much lighter
I was carrying a weight I didn't need to carry
Now I'm running toward a life that doesn't scare me

[Bridge]

This is who I am when I'm not afraid
This is who I was before the world got in the way
And I'm never going back — never going back again
I feel so alive

Spaans (authentiek)

Naam: "Viva" — Spaans schrijft vanuit passie, niet letterlijk

[Verso 1]

Dormía entre mis días sin sentido
Buscando en el silencio lo que había perdido
Pero llegaste tú y algo despertó
Un fuego en el pecho que yo nunca imaginó

[Pre-Chorus]

El corazón me late como nunca antes latió
Como si el mundo entero me devolvió lo que soy

[Coro]

Estoy viva, viva, viva
Como el mar que rompe libre en la orilla
Estoy viva, viva, viva
Ya no tengo miedo, ya no hay más mentira
Suéltame, que quiero volar
Estoy viva — y no pienso parar

[Puente]

Esta soy yo cuando no tengo miedo
Esta soy yo que el mundo no ha podido borrar

Y no hay vuelta atrás — nunca más atrás
Estoy viva

Turks (authentiek)

Adı: "Nefes" (Adem) — Turks schrijft vanuit verlangen en wedergeboorte

[1. Kıta]

Günlerimin içinde uyuyordum sanki
Bir anlam arıyordum kaybolmuş karanlıkta
Sen geldin ve bir şeyler uyandı içimde
Yıllardır unuttuğum o his, benim içimde

[Ön Nakarat]

Kalbim öyle atıyor ki — sanki ilk kez yaşıyorum
Sanki her şeyimi geri verdiler bana

[Nakarat]

Nefes alıyorum, gerçekten nefes alıyorum
Gökyüzü artık benim gibi hissettiriyor
Nefes alıyorum, özgürce nefes alıyorum
Korkularım geride kaldı — ben buradayım
Durduramaz beni hiçbir şey
Nefes alıyorum — ve bu gerçek

TRACK 2 — RUN TO YOU

Engels

Hook: "I run to you"

[Verse 1]

Three in the morning and I can't sleep
Every thought I have is swimming way too deep

I could call a hundred people, none of them would do
There's only one place I want to be — and that's with you

[Pre-Chorus]

I don't need a reason, I don't need a sign
I just know that where you are is where I want to find

[Chorus]

I run to you
When the world gets heavy and I don't know what to do
I run to you
You're the only shelter when the storm comes breaking through
I run — I run — I run
Across the dark, across the rain
I run to you — again and again

[Bridge]

Not because I'm weak — because you make me stronger
Not because I'm lost — because with you I last longer
This is what love does when it's real and it's true
I run to you

Spaans (authentiek)

Nombre: "Corro a Ti"

[Verso 1]

Son las tres de la mañana y el silencio pesa
Mis pensamientos me ahogan, me roban la certeza
Podría llamar a todos, ninguno llenaría
Solo contigo se calma esta alma mía

[Coro]

Corro a ti
Cuando el mundo se derrumba y no sé qué hacer
Corro a ti
Eres el único refugio que quiero tener
Corro — corro — corro

Por la lluvia, por la noche oscura
Corro a ti — que eres mi cordura

Turks (authentiek)

Adı: "Sana Koşuyorum"

[Nakarat]

Sana koşuyorum

Dünya ağırlaştığında, ne yapacağımı bilmediğimde

Sana koşuyorum

Sen benim tek sığınağımsın fırtınalar geldiğinde

Koşuyorum — koşuyorum

Karanlığın içinden, yağmurdan

Sana koşuyorum — tekrar tekrar

TRACK 3 — DANCE IN THE RAIN

Engels

Hook: "I'll dance in the rain"

[Verse 1]

They said girl you better run for cover

Hide yourself until the storm is over

But I've spent too many years inside, waiting for the sun

I'm done waiting — I've decided to have fun

[Pre-Chorus]

Let it pour — let it come

I'm not afraid of getting soaked anymore

Let it pour — let it come

I found a joy I've never known before

[Chorus]

I'll dance in the rain

I'll throw my hands up, feel it wash away the pain

I'll dance in the rain

Every drop that falls is falling not in vain

I don't need the sun to shine to make me feel alive

I'll dance in the rain — and I'll survive

[Bridge]

They called me foolish — maybe that's okay

A little foolish got me to where I am today

The storm will pass but while it's here, I'm gonna celebrate

I'll dance in the rain — it's never too late

Spaans (authentiek)

Nombre: "Bailar Bajo La Lluvia"

[Verso 1]

Me dijeron: corre, escóndete, espera que pase

Que el sol volvería si dejaba que el tiempo avanzase

Pero canté de esperar — de vivir con miedo

Hoy bailo en la tormenta aunque el mundo no lo veo

[Coro]

Voy a bailar bajo la lluvia

Alzar los brazos y dejar que me limpie el alma

Voy a bailar bajo la lluvia

Cada gota que cae lleva el peso y la calma

No necesito el sol para saber que estoy viva

Bailo bajo la lluvia — y eso me revive

Turks (authentiek)

Adı: "Yağmurda Dans"

[Nakarat]

Yağmurda dans edeceğim

Ellerimi kaldırıp acımı yıkayacağım

Yağmurda dans edeceğim

Düşen her damla boşuna değil

Güneşe ihtiyacım yok hayatta hissetmek için

Yağmurda dans edeceğim — ve ayakta kalacağım

TRACK 4 — BETTER DAYS

Engels

Hook: "Better days are coming"

[Verse 1]

I know this road feels endless and the weight is getting real

I know some nights you cry and wonder if you'll ever heal

But I've been where you're standing — I've been down that road before

And I promise you, I promise — there is so much more

[Pre-Chorus]

Hold on — just a little longer

Every scar that you carry makes you stronger

This is not how your story ends

[Chorus]

Better days are coming

Better days are on their way

Better days are coming

Let the music play, the music play

You've been fighting in the darkness

But the light is breaking through

Better days are coming — and they're coming for you

[Bridge]

Every winter turns to spring

Every broken heart can sing again
Don't give up — don't give in
Better days are waiting just around the bend

Spaans (authentiek)

Nombre: "Días Mejores"

[Verso 1]

Sé que este camino duele, que la noche es muy larga
Sé que hay noches que lloras sin saber por qué te cargas
Yo también he estado ahí — en ese mismo abismo
Y te juro que al final siempre vuelves a ser tú mismo

[Coro]

Días mejores vienen
Días mejores están en camino
Días mejores vienen
Deja que la música siga su destino
Has luchado en la oscuridad
Pero ya rompe la luz
Días mejores vienen — y vienen por ti

Turks (authentiek)

Adı: "Daha İyi Günler"

[Nakarat]

Daha iyi günler geliyor
Daha iyi günler yolda
Daha iyi günler geliyor
Müziğin çalmasına izin ver
Karanlıkta savaştın
Ama ışık kırılıyor artık
Daha iyi günler geliyor — ve senin için geliyor

TRACK 5 — ON TOP OF THE WORLD

Engels

Hook: "I'm on top of the world"

[Verse 1]

Started with nothing — just a dream and a drive
Everybody doubted me but I stayed alive
Every door that slammed in my face made me fight
And now I'm standing here burning bright

[Pre-Chorus]

Look how far I've come
Look at everything I've overcome
Nothing stopped me — nothing ever will

[Chorus]

I'm on top of the world
Looking down at everything that tried to hold me back
I'm on top of the world
And I'm never — never going back
I earned every single moment standing here
I'm on top of the world — and the view is clear

[Bridge]

They said I'd fail — I said watch me
They said sit down — I said not me
Every no I heard became my fuel
Now I make the rules

Spaans (authentiek)

Nombre: "En La Cima"

[Verso 1]

Empecé sin nada — solo un sueño y voluntad

Todos dudaban pero yo encontré mi verdad
Cada puerta que cerraron me hizo más fuerte
Y hoy estoy aquí — cambiando mi suerte

[Coro]

Estoy en la cima
Mirando todo lo que intentó detenerme
Estoy en la cima
Y ya no hay nada que pueda vencerme
Me gané cada instante de estar aquí
Estoy en la cima — y el mundo es mío hoy

Turks (authentiek)

Adı: "Zirvede"

[Nakarat]

Zirvedeyim
Her şeye bakıyorum beni durdurmaya çalışan
Zirvedeyim
Ve asla — asla geri dönmeyeceğim
Her anı hak ettim burada durmak için
Zirvedeyim — ve manzara muhteşem

TRACK 6 — GOLDEN HOUR

Engels

Hook: "This is our golden hour"

[Verse 1]

The light is changing, turning everything to gold
This is the hour that stories will be told
No phones, no noise — just you and me right here
This perfect kind of moment only happens once a year

[Pre-Chorus]

Don't blink — don't look away
Let's burn this into memory
This is the light, this is the day
This is where we're meant to be

[Chorus]

This is our golden hour
When everything is beautiful and right
This is our golden hour
The sweetest end to the most perfect night
Hold my hand and let's not say a word
This is our golden hour — the best I've ever heard

[Bridge]

Time moves fast and people fade
But this is one moment that will never age
Fifty years from now I'll close my eyes
And still see you standing in this golden light

Spaans (authentiek)

Nombre: "La Hora Dorada"

[Verso 1]

La luz cambia y lo pinta todo de oro
Este es el momento que guardo como un tesoro
Sin ruido, sin prisa — solo tú y yo aquí
El mundo puede esperar — esto es para mí

[Coro]

Esta es nuestra hora dorada
Cuando todo brilla y tiene sentido
Esta es nuestra hora dorada
El final más dulce de lo que hemos vivido
Dame tu mano y no digamos nada más
Esta es nuestra hora dorada — nunca olvidarás

Turks (authentiek)

Adı: "Altın Saat"

[Nakarat]

Bu bizim altın saatimiz

Her şeyin güzel ve doğru olduğu an

Bu bizim altın saatimiz

En mükemmel gecenin en tatlı sonu

Elimi tut ve hiçbir şey söyleme

Bu bizim altın saatimiz — ömrümün en güzeli

TRACK 7 — RISE UP

Engels

Hook: "Watch me rise up"

[Verse 1]

They counted me out when I was down on the floor

Said I'd never be who I was before

Every voice in my head said "give it up, give it in"

But something deep inside said "this is where you begin"

[Pre-Chorus]

I found the strength I didn't know I had

I took the worst they gave me and I didn't break — I rose

[Chorus]

Watch me rise up

Out of everything that tried to keep me down

Watch me rise up

I'm reclaiming every piece of what they took

I'm not the girl who fell — I'm the one who learned to fly

Watch me rise up — watch me touch the sky

[Bridge]

You wanted broken — I gave you gold

You wanted silence — I gave you bold

The hardest chapters made the greatest story ever told

Watch me rise up

Spaans (authentiek)

Nombre: "Me Levanto"

[Verso 1]

Me dieron por perdida cuando caí al suelo

Dijeron que jamás volvería a ver el cielo

Cada voz me decía: "ríndete, ya fue"

Pero algo dentro mío dijo: "aquí es donde empiezas de pie"

[Coro]

Mírame levantarme

De todo lo que quiso mantenerme abajo

Mírame levantarme

Recupero todo lo que me robaron

No soy la que cayó — soy la que aprendió a volar

Mírame levantarme — mírame triunfar

Turks (authentiek)

Adı: "Yükseliyorum"

[Nakarat]

İzle beni yükselirken

Beni aşağıda tutmaya çalışan her şeyden

İzle beni yükselirken

Elimden aldıklarını geri alıyorum

Ben düşen kız değilim — uçmayı öğrenen benim

İzle beni yükselirken — gökyüzüne uzanırken

TRACK 8 — SUMMER LOVE

Engels

Hook: "One summer, one love"

[Verse 1]

You came in like the warmest August morning
No warning, no planning — suddenly you were there
Two strangers in a city full of people
Who found each other somewhere in between despair

[Pre-Chorus]

We knew it couldn't last forever
We knew September always comes
But some things don't need forever to be real

[Chorus]

One summer, one love
That's all we had and all we needed to feel alive
One summer, one love
Burning like the sun before it says goodbye
We laughed, we danced, we loved until the season changed
One summer, one love — and nothing rearranged

[Bridge]

I still see your face when warm winds blow
I still hear your laugh in every summer radio
You were my August — I was yours too
One summer — and I've never forgotten you

Spaans (authentiek)

Nombre: "Un Verano, Un Amor"

[Verso 1]

Llegaste como el agosto más cálido de mi vida

Sin avisar, sin planes — de repente estabas ahí
Dos extraños en una ciudad llena de gente
Que se encontraron en algún punto sin saber por qué

[Coro]

Un verano, un amor
Eso fue todo — y fue suficiente para sentir que vivía
Un verano, un amor
Ardiendo como el sol que se despide con alegría
Reímos, bailamos, amamos hasta que cambió la estación
Un verano, un amor — y eso no tiene explicación

Turks (authentiek)

Adı: "Bir Yaz, Bir Aşk"

[1. Kıta]

Geldin en sıcak ağustos sabahı gibi
Uyarı yok, plan yok — birdenbire oradaydın
İki yabancı, insanlarla dolu bir şehirde
Birbirini buldu, neden bilmeden

[Nakarat]

Bir yaz, bir aşk
Hepsi buydu — ve hayatta hissetmek için yeterliydi
Bir yaz, bir aşk
Veda eden güneş gibi yandı
Güldük, dans ettik, mevsim değişene kadar sevdik
Bir yaz, bir aşk — ve seni hiç unutmadım

TRACK 9 — UNBREAKABLE

Engels

Hook: "I am unbreakable"

[Verse 1]

You thought the words you said would shatter me in two
You thought the way you left would be the end of me and you
I won't pretend it didn't hurt — it broke me to the core
But broken things put back together are stronger than before

[Pre-Chorus]

You built the storm — I built the walls
You made me fall — I learned to stand
And now there's nothing — nothing left that breaks this woman

[Chorus]

I am unbreakable
You gave me your worst and I turned it into steel
I am unbreakable
You took my heart and I taught it how to heal
I've been tested, bent and burned
But I rise with everything I've learned
I am unbreakable — and finally I feel it

[Bridge]

Every scar I wear is armor now
Every tear I cried taught me how
To stand in storms and not bow down
I am unbreakable — hear me now

Spaans (authentiek)

Nombre: "Inquebrantable"

[Verso 1]

Creíste que tus palabras me iban a destruir
Que tu forma de irte sería mi final aquí
No voy a mentir — dolió hasta lo más profundo
Pero lo que se rompe y se une es lo más fuerte del mundo

[Coro]

Soy inquebrantable

Me diste lo peor y lo convertí en acero
Soy inquebrantable
Me rompiste el alma y la cosí primero
Me probaron, me doblaron, me quemaron
Pero me levanto con todo lo que aprendí
Soy inquebrantable — y por fin lo siento así

Turks (authentiek)

Adı: "Kırılmaz"

[Nakarat]

Kırılmazım

En kötüyü verdin, çeliğe dönüştürdüm

Kırılmazım

Kalbimi kıldın, onu iyileştirmeyi öğrendim

Denendim, büküldüm, yaktılar beni

Ama öğrendiklerimle yükseliyorum

Kırılmazım — ve bunu artık hissediyorum

TRACK 10 — ONE MORE NIGHT

Engels

Hook: "Give me one more night"

[Verse 1]

The bags are packed, the taxi's waiting at the door

The life we built together fits in boxes on the floor

I know that we've said everything there is to say

But standing here I can't believe this is the day

[Pre-Chorus]

Not yet — not yet — I'm not ready

Let the clock slow down just for tonight

Not yet — not yet — just let me
Hold on to this before we say goodbye

[Chorus]

Give me one more night
One more chance to feel the way we used to feel
Give me one more night
One more truth before we break what took years to build
I know that love alone is not enough sometimes
Give me one more night — to say my last goodbye

[Bridge]

Years from now when someone asks me
What was the love that changed you most
I'll think of you and say — that was it
You were the one who mattered — and I let you go

Spaans (authentiek)

Nombre: "Una Noche Más"

[Verso 1]

Las maletas están listas, el taxi espera en la puerta
Todo lo que construimos cabe en cajas — esa es nuestra suerte
Sé que ya lo dijimos todo — no queda nada más
Pero aquí parado no puedo creer que es hoy que te vas

[Coro]

Dame una noche más
Una chance de sentir lo que antes sentíamos
Dame una noche más
Una verdad antes de romper lo que construimos
Sé que el amor solo a veces no alcanza
Dame una noche más — para decir adiós

Turks (authentiek)

Adı: "Bir Gece Daha"

[Nakarat]

Bir gece daha ver bana

Eskiden hissettiğimiz gibi hissetmek için bir şans daha

Bir gece daha ver bana

Yıllarca inşa ettiğimizi yıkmadan önce son bir gerçek

Bazen aşkın tek başına yetmediğini biliyorum

Bir gece daha ver bana — son veda için

TRACK 11 — SHINE

Engels

Hook: "Let me shine"

[Verse 1]

I've been hiding in the shadows for too long

Apologizing for the parts of me that are too strong

But I was made to take up space, to be seen and to be heard

And I'm done shrinking myself down to just one word

[Pre-Chorus]

This is my moment — this is my time

To stop playing small and let the light align

[Chorus]

Let me shine — let me shine

Like the sun that's been waiting behind the clouds

Let me shine — let me shine

I've got something beautiful to give this world right now

No more hiding, no more second guessing who I am

Let me shine — because I finally can

[Bridge]

You can dim a light but you can't kill a fire

And I've been burning at the bottom — now I'm climbing higher
This is not a moment — this is my whole life
Let me shine — it's finally my time

Spaans (authentiek)

Nombre: "Brillar"

[Verso 1]

Llevo demasiado tiempo escondiéndome en las sombras
Disculpándome por ser demasiado — por no encajar en las normas
Pero fui hecha para ocupar espacio, para ser vista y oída
Y ya no pienso achicarme por ninguna herida

[Coro]

Déjame brillar — déjame brillar
Como el sol que esperó detrás de las nubes
Déjame brillar — déjame brillar
Tengo algo hermoso que dar al mundo ahora
No más esconderme, no más dudar de quién soy
Déjame brillar — porque por fin puedo hoy

Turks (authentiek)

Adı: "Parlamak"

[Nakarat]

Parlamama izin ver — parlamama izin ver
Bulutların arkasında bekleyen güneş gibi
Parlamama izin ver — parlamama izin ver
Bu dünyaya şu an güzel bir şey verecek bir şeyim var
Artık saklanmıyorum, kim olduğumu sorgulamıyorum
Parlamama izin ver — çünkü artık yapabilirim

TRACK 12 — WORLD IS OURS

Engels

Hook: "The world is ours tonight"

[Verse 1]

Remember when we had nothing — not a dollar, not a plan
Just a dream between two people and a place to make a stand
Now look at us — look at everything we've made from nothing here
The impossible became our year

[Pre-Chorus]

Raise your glass — raise it high
For everyone who said we'd never make it — they were wrong
Raise your glass — touch the sky
This moment is the music — and we wrote this song

[Chorus]

The world is ours tonight
Every single star up there is burning just for us
The world is ours tonight
We built this from the ground up — and we did it out of love
We are unstoppable — we are everything we dreamed
The world is ours tonight — and it's better than it seemed

[Bridge]

To everyone who walked this road and didn't quit
To everyone who found their voice when times got grit
This one's for us — this one's for the dreamers who believed
The world is ours — and we finally achieved

Spaans (authentiek)

Nombre: "El Mundo Es Nuestro"

[Verso 1]

¿Recuerdas cuando no teníamos nada? Ni un peso, ni un plan
Solo un sueño entre dos almas y un lugar donde pararnos
Y mírate ahora — mira todo lo que hemos creado de la nada
Lo imposible se volvió nuestra morada

[Coro]

El mundo es nuestro esta noche
Cada estrella brilla solo para nosotros esta noche
El mundo es nuestro esta noche
Lo construimos desde abajo — y lo hicimos por amor
Somos imparables — somos todo lo que soñamos ser
El mundo es nuestro esta noche — y mejor de lo que iba a ser

Turks (authentiek)

Adı: "Dünya Bizim"

[Nakarat]

Bu gece dünya bizim
Yukarıdaki her yıldız yalnızca bizim için yanıyor
Bu gece dünya bizim
Sıfırdan inşa ettik — ve sevgiyle yaptık
Durdurulamayız — hayallerimizin her şeyiyiz
Bu gece dünya bizim — hayal ettiğimizden daha güzel

SUNO STIJL-TAG (voor alle 12 tracks)

electro house, 128 BPM, female vocal, euphoric, sidechain pumping bass,
euphoric synth lead, stadium build-up, big drop, club anthem, David Guetta
style, progressive house

Suno tekst-formaat (per track)
